Who We Are

STORY OF THE PAST & THE FUTURE!

Marei Bin Mahfouz Group has taken pride in its triumphs since its establishment in 1967. Trade and real estate were the first stage, then it expanded in the second stage to contracting and hotels, and in the third stage it expanded to specialized industries and mining, as it became the first in Makkah Al-Mukarramah (a family private joint-stock company) and one of the largest in 100 companies in the western region in the Kingdom of Saudi Arabia. We believe that sustainable development is the future. In 2020, the third generation of the family seeks to complete the march according to the outputs of the Saudi Vision 2030

From its Foundation in the Past to the Third Generation Banner of Success

The founder of Marai Bin Mahfouz Group [Closed Joint Stock Company] was born in Hadramout In the historical Al-Hijrin, one of the most important capitals of the Kinda Al-Qahtaniyah tribe, in the village of Khuzam Diyar [Al-Hadi] in 1945 AD, then he moved to the city of [Mukalla] to join the middle school in 1955 AD, then to Aden (Al-Sailah School) to be one of the graduates of the British Residency School. After graduation, he moved to the Makkah Al-Mukarramah region in Saudi Arabia, Jeddah, the economic governorate of the Kingdom of Saudi Arabia in 1964 AD, until he decided to settle in Makkah Al-Mukarramah in 1967 AD.

The transition from individual to institutional work

In the beginning, he worked as a salesman in nutritional and consumer goods for a number of merchants in various regions of the Kingdom of Saudi Arabia, after which he decided to settle in Makkah to establish [Marai bin Mahfouz Foundation] for trading of building materials and contracting, then expands his business to [a joint venture company] with a capital of 6 million riyals in 1976 AD, and after years he expanded to a [limited liability company] with a capital of 20 million to have a private property for him and his sons, to be divided. To conclude with the establishment of a closed joint stock company in 2008 with a capital of one billion Saudi riyals - 267 million US dollars

The Second and Third Generation Have Raised Verses of Honor and Appreciation for the Founder

Sheikh Mari Mubarak bin Hadi bin Mahfouz Al Kindi was able to lead the company from its founding in 1967 to reach the 19th place in the top 100 Saudi companies list of the most successful companies in 2008. Acquiring knowledge and entering into partnerships in most of his subsidiaries companies and obtaining Global certificates in compliance with international standards and measurements in sustainable development

Bin Mahfouz
Founder*

The Banner of the Founder in Leadership of the Second Generation

The second generation

In 1998 AD, the first of the sons [Dr. Abdullah] graduated, who specialized in law and regulations, to be the investment and contracting arm with foreign companies [Norway - Germany - Switzerland - Britain - Egypt - Yemen - Syria] and in 1995 AD he joined [Dr. Mahfouz] and worked in various executive departments, then he took over the leadership as the managing director of the group in 2005 AD - [Engineer Muhammad] in 1999 AD assumed the responsibility of leading contracting, development and construction companies - and [Mr. Omar] in 2002 AD took over the leadership of consumer companies, gold factories and their branches - In 2010, [Mr. Ahmed] assumed the management of the group's hotels in Makkah, Jeddah, and London]

The third generation

Issa Abdullah bin Marei bin Mahfouz, Specialized Investments Officer and Chairman of the Group's Corporate Governance Committee

Mohammed Mahfouz bin Mari bin Mahfouz, responsible for human resources management in the group

Mohammed Fawad Bin Mahfouz is responsible for development and investments in the Saudi Matajer hypermarket sector

Suleiman Mahfouz bin Mari bin Mahfouz is responsible and managing the investment sector in the M5 for stations in the Western Region

Muath Fawad bin Mahfouz, responsible for the legal sector of the group companies

And we, the the second and third generation, are proud that we are walking under the founder's ardent leadership, which was honed by difficult experiences, and succeeded with the wisdom of the strong believer [patience is the key to success] in facing development and economic difficulties, and the founder's love for human transcendence, always looking forward to sustainable development [He who does not suffer will not learn in his practical and family life.]

*Banner of the Founder
in the Leadership of the Children*

After graduating from the university in 1998, he specialized in developing and expanding investments in the Kingdom of Saudi Arabia and the Middle East.
